Aquatics Facility Closes at 8:30PM		Aquatics Facility Closes at 8:30PM				

- Schedule is subject to change.
- The aquatics facility will close 30 minutes prior to the rest of the facility.
- When demand is high, visitors may be subject to a waitlist in order to use the aquatics facility.
- During swimming lessons, the leisure pool is open only for those participating in lessons.
- Open swim will end 10 minutes prior to swim lessons for instructor prep.
- Swim lessons begin 6/4/2018.
- Safety Breaks allow time for visitors to use the restroom and for aquatics staff to perform essential safety duties related to the operations facility
- River Walking is a designated pool time only for individuals using the pool for therapy purposes. The play structure and slide will be turned off and all lap lanes will be available.
- Quiet Swim is a designated pool time when all of the water play features and slide are turned off.
